On the cover

As the seasons change, so do home owners' wants and needs for their living spaces. While some desire to implement more sustainable living features, others may want to elevate their homes with luxe finishes and open floor plans. This is where enlisting the help of a professional remodeler is crucial.

Occurring every May, NAHB's National Home Remodeling Month recognizes the expertise of trained remodeling professionals and highlights the many benefits of hiring one to complete a home renovation project.

Hello, All

This past month has been an exciting and busy time for the Fort Wayne HBA, filled with valuable networking opportunities and strong momentum toward our goals. As we continue moving through 2025, our focus remains firmly on growth — not just in membership numbers, but in strengthening the relationships, knowledge, and opportunities that fuel our success. Through our various events and initiatives, it's clear that our collective efforts are making a meaningful impact.

One major highlight was our General Membership Meeting where we welcomed Robert Dietz, Chief Economist for the NAHB, as the guest speaker. His insights into housing trends and the broader economic outlook for our industry were both important and informative. Also in attendance were IBA President Ryan Baker and Mollie Flook, the IBA Services Director. We were thrilled to see an excellent turnout for this event.

We also had a fantastic Town and Country Home Show, showcasing 45+ of the area's finest homes from various builders and members of the HBA. This was a beneficial event that helped us to engage the broader community in our mission.

Additionally, the NAHB Spring Membership Drive is well underway. With two months remaining, now is the perfect time to continue inviting colleagues and industry partners to join us and be part of our growing network. Keep up the good work!

Growth matters — not just for the individual builder or associate, but for the strength of the HBA as a whole. Every new connection, every shared insight, and every successful event reinforces the vital role our association plays in shaping the future of our local housing industry.

Thank you for all you do to support and contribute to our ongoing success. Let's keep this momentum going!

Best Regards,

Nate Delagrang
2025 Board President

Remodeling Expo

SAVE THE DATE

for our second Remodeling Expo at the Allen County War Coliseum! We've revamped the concept to focus on our Builders and Associates actively involved in the remodeling industry. We have also moved the date to early November to increase traffic.

The event is consumer focused, inviting the public to learn more about the remodeling process and how our members can assist them.

Last year's event was small but mighty with most participants telling us that the leads they got were qualified and many projects went forward from those contacts.

House Notes

Rebecca Cameron, Executive Officer

Members --

It's been so great to see the signs of spring lately -- warmer temperatures, leaves popping out on the trees and Town & Country signs around town. Our annual home tour event kicked off last weekend, and the feedback I've received so far reflects some great traffic through the show homes. Looking forward to the second and final weekend of the tour this weekend, May 3-4, and hope everyone enjoys a continued wonderful turnout.

And speaking of a wonderful turnout, I'm so grateful to all members who joined us for the Spring General Member Meeting on April 16. Not only did we welcome NAHB's Dr. Rob Dietz, but 2025 IBA President Ryan Baker and IBA Association Services Director Mollie Flook. Everyone was so appreciative of the economic data shared -- if you weren't able to attend, you can still view Dr. Dietz's presentation in the Resources section of InfoHub.

On the 15th of this month Inspired Closets/BOS Garage Floor Coatings is hosting a Meet Me @ 3 to showcase Inspired Closets Envision, an augmented reality closet design tool. You can check out this cutting-edge technology, and enjoy food & beverages while catching up with your HBA friends. *(See full details on page 10)*. These networking events have been adjusted to fit into the end of your work day and not interfere with after work commitments or family time. We hope to see you on the 15th!

NAHB's Dr. Rob Dietz, HBAFW President Nate Delagrange, IBA President Ryan Baker and IBA Member Services Director Mollie Flook attended our annual Spring General Membership Meeting on April 16.

Don't forget the NAHB Spring Membership Drive continues through June 30! Talk with those business owners you know who aren't currently a member and tell them all the wonderful ways HBA Fort Wayne helps YOU do business, connect with fellow members and stay informed about local, state and national legislation that can affect your business. There's strength in numbers and we want to continue to grow ours! Find recruitment resources on InfoHub, and keep an eye out for additional materials in the coming weeks.

Have a great month!

Workforce Development Champions 2025

Workforce Development Champions is a new HBA Fort Wayne initiative in conjunction with NAHB's established program. Beginning January 1 of each year, member businesses will track hours for workforce development activities and report to the HBA office.* Member participation will be tracked throughout the year; achievements/rewards will be announced in December at the Inaugural Gala.

Earn hours for the following activities:

- Visit or be a guest speaker at a local student chapter
- Serve on an educational advisory board
- Donate materials or equipment to a local student chapter
- Provide job-shadowing opportunities for students in a construction trades program; or host a student for National Job Shadowing Day on/around February 2
- Offer internships, pre-apprenticeships/apprenticeships
- Host construction trades instructor externships
- Participate in a Career Day event at an area middle school
- Volunteer to be a SkillsUSA competition judge
- Host a job fair for interns/paid employees
- Volunteer with construction-related programs at Boys & Girls Club of Fort Wayne or Junior Achievement JobSpark
- Sponsor a student chapter
- Serve on the HBA Workforce Development committee
- Host construction trades students at your business or job site

GOLD LEVEL

BRONZE LEVEL

The Indiana Builders Association is one of the most effective lobbying and political organizations in our state, focused entirely on housing issues. HBA Fort Wayne has a long history of supporting IBA's lobbying team of CEO Rick Wajda and Governmental Affairs Director Carlie Hopper. PAC donations received with dues payments continue to support our efforts. We also encourage members to consider renewing or donating as a PAC Sponsor, to support and elevate our PAC program at three levels:

GOLD - \$1,500
SILVER - \$1,000
BRONZE - \$500

At minimum, donors will be recognized in the monthly Connections magazine, Weekly Update email and on signage at HBA member events. Checks made payable to HBA Fort Wayne Build PAC may be mailed to 305 W. Main Street, Fort Wayne, IN 46802.

Hull Lift Truck was established in 1962 to offer the highest quality of material handling equipment at a fair price, with sincere commitment to customer service and satisfaction. The foundation of Hull Lift Truck was built on the valued principles of Quality, Passion, Integrity, Leadership, Loyalty, and Growth. Toyota Material Handling built a new plant in Columbus, Indiana, and Hull officially partnered with Toyota in 1992. Since then, Hull has expanded to 5 locations in Indiana and Michigan, with a new headquarters built in 2022. Our current President, Brian Hull – a third generation Hull leader – looks to continuously focus on our customers and treating them with excellent service and demonstration of our core principles. What once was a small family business, has now turned into over 60 years of excellence on focus on our customers and our community. Our commitment to the highest quality equipment has led to us proudly becoming the exclusive provider of Toyota Material Handling – the industry leader in quality, dependability, productivity, and safety. Together with our vendors, we will design and manage the highest-quality, most effective material handling solutions, establishing Hull as a leader in our industry and enhancing our partner's ability to be leaders in theirs. As a result, we will empower more partners to focus less on material handling, and more on what they do best. We work diligently to keep your business and your trust because we value relationships before rewards. So that lift after lift, and day after day, Hull Lift Truck is there to help you rule the floor.

Back Flow Preventers

Per the State of Indiana, all Back Flow Preventers must be installed by a Licensed Plumber. This has been this way for years, but we are starting to see more Irrigation companies putting it on the application for the irrigation permit.

When the plumber pulls the permit for the second meter for irrigation, they are required to install the Back Flow before the meter should be installed. I know of one area that installs the meter before the Back Flow is installed. That town is liable for cross contamination if that would happen.

GENERAL MEMBERSHIP MEETING

SPRING
2025

Home Builders Association of Fort Wayne, Inc.

Election Impacts on the Outlook

Good

- Extension of most or all of the 2017 tax cuts
- Reduction of costly/inefficient regulatory policies
- *Increased macroeconomic growth environment

Bad

- *Larger government deficit
- Narrow and general tariffs
- Inflationary impacts

- Uncertain risks (need more policy detail)
- Illegal immigration enforcement

NAHB

CARTER LUMBER Build on a Strong Foundation

W.E. Carter opened his first lumberyard in 1932 in Akron, Ohio, with a simple mission—build a family-run company that treats customers like family. 93 years later and now the fifth largest building materials supplier in the nation, Carter Lumber continues to operate with that same commitment, providing top-quality materials and expert service to the region's best builders.

We're more than just a supplier—we're a partner. The most successful builders in Indiana trust Carter Lumber because we understand their needs, offer a broad range of high-quality materials, and deliver exceptional service that keeps projects on track.

If you're looking for a supplier that works as hard as you do, contact your Carter Lumber representative today. Let's build something great together.
